To Promote and Encourage
Independence for
All People with Disabilities.
That is our purpose - our mission.

At the Disability Network of Mid-Michigan,
we believe it's not the disability that
prevents people from participating in our
communities... it's the barriers placed
in front of them.

Disability is a natural part of the human
experience, and in no way diminishes the
right of individuals to:

- live independently
- enjoy self-determination
- make personal choices
- contribute to the community
- pursue meaningful careers
- enjoy full inclusion in the community

"I was directed to Disability Network in 1991 and have been with them ever since. I really enjoy my staff. I have taken many vacations with assistance from my staff and always enjoy their company. I have also been lucky enough to have most of the same staff with me since joining Disability Network. I am happy I'm with them and I hope to be for many more years."
